Head of School Message

Dear Parents/carers,

It's been a very busy week at Blacklow Brow. On Monday I had the privilege of going with the Year 4 class to Llandudno. What a fantastic fun packed day we had. We even stayed on the beach till half past five playing and eating a chip supper. The seagulls were there but myself and Mrs Yates made sure no child had a chip pinched!

Year 3 went on a one night residential to the Catalyst Museum. They had a ball and were so well behaved! I met them when they returned and they said it has been the best trip ever and they had such fun. A huge thank you to the staff who took them and gave up their valuable time. I'm sure the parents enjoyed night off!

Have a wonderful bank holiday weekend.

The franchise remains the most successful film of all time, earning over 2.5 billion dollars since the release of the first film. Everyone loves a bit of Star Wars! Get your popcorn out and favourite Star Wars film on this weekend!

TERRIFIC TIMEKEEPERS

Our Terrific Timekeepers competition starts all over again this term. So our winners for last week were our pupils from Y6, well done! The most useful way to reduce morning chaos is to set up a morning routine. Sticking to a morning routine for school helps your children predict what's coming, and remember what they need to do, so you can arrive on time.

REMINDER

Y1 are at the KIND Centre next week. Please ensure your child has a packed lunch with them if they haven't already pre-ordered a school packed lunch and that they come to school in their PE kit.

REMINDER

Just a reminder that school is closed on Monday for 'May Bank Holiday'.

WHAT DO I DO OUTSIDE SCHOOL?

Well done to Mylee Jones from Y5. Mylee attends Focus Gymnastics in Widnes, and look at these badges and certificates she has earned along the Way! Have we a Olympian gymnast in our midst.

FOCUS OF THE WEEK – TRIP BONANZA

Year 3 had an absolutely amazing night at the Catalyst museum! As soon as we arrived. The children were able to walk around and investigate all of the science exhibitions and learn all about the British industry history. When we went up to the observatory tower, we could see around the whole of Liverpool and Runcorn, it looked fantastic. Then, we finally put our Pyjamas on and watched Night in the Museum! In the morning, we had another super light workshop and then we went outside and played in the playground. We finished our day with a McDonalds lunch! What a fabulous night away! Well done year 3, you did the school proud.

Our other trip this week was the Y4 Great Orme trip, check out our photographs. The children thoroughly enjoyed themselves.
