Head of School Message

What a disastrous week it has been for the weather! We decided to put the swimming into the summer term so our children wouldn't be cold when leaving the pool. That hasn't been the case this week with the heating being switched back on in the mornings because the school feels so cold! Hopefully the weather improves very soon.

I am concerned at the number of children who are late for school. Lateness has a negative impact on your child. Being late can, disrupt lessons, affect achievement and possibly embarrass/upset our children. Being late adds up to a loss of learning. Just 5 minutes late a day can add up to 3 days per year. Being on time means not missing out. The minute your children enter the class they undertake basic skills. Missing time in basic skills is unacceptable. Your children are also working towards attendance awards. Being late will affect their chances of attaining the highest award. Please ensure your child is on time for school.

FATHERS DAY

This Sunday we celebrate Fathers Day. It is a day to honour fathers and father figures, such as grandfathers and fathers-in-law past and present. Many people make a special effort to visit their fathers or to send them a card or gifts, and if you are short on pocket money, why not make them breakfast in bed or even wash their car as a gesture.

TERRIFIC TIMEKEEPERS

Our Terrific Timekeepers starts again for this term. With a clean sheet last week were our Year 2 pupils. Can they do it again next week.... Watch this space. Help your class win a treat this term.

PHOTOGRAPHS

All photograph orders must be sent back into school by Wednesday 19th June, as they will be collected first thing on Thursday morning.

YEAR 3

Y3 will be visiting the KIND centre next week, children will need to wear their PE kit and if you haven't pre-ordered a school packed lunch, they will need to bring a packed lunch from home.

REMINDER

Children's Graduation is next Wednesday. This is a ticket only event, tickets are priced at £3 which admits two, please send your money into school, in a sealed envelope marked with your child's name. Thank you.

WHAT DO I DO OUTSIDE SCHOOL?

Well done to Ethan Taylor from Y6. Ethan is a Sudoku Whizz and proved this in class when he finished his in no time at all. Will he be entering the 'Sudoku Championships 2019'?

FOCUS OF THE WEEK – Y6 JCA TRIP

Year 6 have just returned from an incredible few days at JCA, Condover Hall. Mrs Sergison and I had the time of our lives with them, they were amazing company and they blew us away with their support for each other, their determination to overcome fears and their sense of fun and positivity! They were all truly amazing, needless to say their behaviour was fantastic and they left an extremely positive lasting impression of themselves, continuing to do us all very proud! We hope that they treasure all of the memories they made in their years to come and as they move onto high school. We would like to thank each and every one of them, and their supportive families, for making the trip such a wonderful experience.

Please visit our website for more JCA photographs.

WORDS OF THE WEEK

MATHS – EQUIVALENT

ENGLISH – CHORTLE

Have a practice of these words over the weekend, who knows you could earn yourselves some house points when you return to school and use these words in your context.

Our children from Y3 and Y5 have completed their swimming lessons over the past 2 weeks, and thoroughly enjoyed it. Well done for being so well behaved and sensible whilst in the pool.
