Head of School Message

What a wonderful year we have had at Blacklow Brow School! All the children have done us proud with their hard work and incredible progress. Every year group has had many wonderful experiences this year with trips and residential to enhance our already broad curriculum. Thank you for your support over this. Next year we are looking to maintain our enhanced curriculum and would be very grateful for ideas from you the parents for trips that are different. Maybe you work somewhere that offers enrichment for children into the world of work. We would be really interested in any offers.

Jackie Williams
Head of School

Thank you to all the staff at Blacklow Brow School for all their hard work going over and above what is expected. We wish our fabulous Year 6 every success in the next phase of their schooling. We know you will be great.

On behalf of myself and all the staff at school I wish you a lovely summer holiday and we will see you all in September.

NOMINATIONS

We would like to thank all of the year 5 children who applied for the role of Head Boy, Head Girl and Wellbeing Ambassador. The whole school had an opportunity to vote for the children who they wanted to represent our school. We would like to congratulate the successful candidates:
Head Boy: Louis Walsh
Head Girl: Harriet Rockwood
Wellbeing Ambassador: Tilly Napier

National Daiquiri Day

Its National daiquiri day today, and my oh my are our mums and dads going to need a daiquiri with six weeks off trying to keep the children entertained. Daiquiri is a popular rum-based cocktail, which is believed to have been one of the favourite drinks of John F Kennedy. Parents shouldn't be the only ones allowed to have fun-looking drinks, there are plenty of mocktails recipes for the children.

TERRIFIC TIMEKEEPERS

Our Terrific Timekeepers winners for this term were our Y1 pupils. There was only 1 late in, it was nail-biting. I hope you enjoyed your treat today Year 1.

FOCUS OF THE WEEK – YEAR 6

Wow...it is hard to believe the day has finally arrived and our wonderful Year 6 children move on to the next part of their exciting educational adventure! The past year has been full of highs, it could never have been anything less when working with such an incredibly talented, hardworking, fun-loving group of children. The whole school will miss the energy and enthusiasm that Year 6 have injected into school life and their abundance of character and personality, which has made each day with them interesting and thoroughly enjoyable.

Mrs Daly and I would like to say a personal thank you to all of the Year 6 children for such an amazing year; we have absolutely loved teaching them and getting to know their incredible strengths, talents and characters. We are confident that they will continue to make incredible progress and have huge success in the years ahead of them at High School. We would also like to take the opportunity to thank their families for their continued cooperation and support throughout the year, it has always been greatly appreciated.
