## Head of School Message

Dear Parents/Carers,

Rock Kidz attended school this week and taught the children songs relating to 'respect' 'staying safe' and 'bullying' to name but a few. They had a fabulous time battling with the teachers in the lip sync and head banging competitions. Last night we had the rock concert at The Venue in Huyton where the children got to perform for parents and carers. It was a fabulous opportunity for the children to showcase their learning from throughout the week. Thank you for your support at this event.

We welcomed some of the senior team from Park View Academy this week to our school. They had a thoroughly enjoyable time here and learnt a lot on their visit. Mr Latham, our new assessment lead across both schools, then led a training session for Blacklow Brow staff on how to further develop their understanding of assessment and how we use this to inform learning.

Finally, thank you for all the extremely supportive comments on the gate of a morning and of a night. If you do have any questions, concerns or positive words please take the time to speak with me or one of my senior members of staff. Finally, please follow us on Instagram
