## Head of School Message

Dear parents and carers,  
This week we took delivery of our 2 fabulous new tuck shops. In response to many requests from the children I spoke with our wonderful PTA who agreed the funding. From Monday some of our year 5 children will be overseeing the ordering, selling and financial running of the shops. Our student council will soon be discussing the full menu but to get us up and running we will be selling toast at 10p a slice. All fruit and milk will be completely free of charge but quantities are limited. Finally, thank you all for your support in events such as the Christmas Fayre as without this, the funding would simply not be there. You may be aware that some children in school have been working with parents and carers to publicise all the great work they have been doing at home, reading books and sharing stories. With that they have been 'tagging' in the authors and as a result we have had some lovely responses. If you would like to get involved please do. Finally, our reading shed is now open. Please feel free to pop in before or after school and enjoy a book.

## TERRIFIC TIMEKEEPERS

Can we remind Parents/Carers that doors open at 8.20am ready for lessons to start at 8.30am. Our Terrific Timekeepers winners for this week were our pupils from Reception, Y2 and Y6. Preparation is key, so prepare all your things the night before, so your ready and not rushing in the morning.

## NURSERY HOURS

Don't forget to claim your 30 hours free childcare if you are entitled or renew your code for next term. Your code must be given into school by the 27th March in order to claim for your child's April hours.

## NATIONAL FROZEN FOOD DAY

Today is National Frozen Food Day. National Frozen Food Day was established by Ronald Regan in support of the frozen food industry, but you can also celebrate the wonder of the freezer by making your own frozen food! Make a soup or your own ice cream and freeze individual portions.

## TUCK SHOP

The PTA would like to thank all parents for their attendance and support at our events. This support and generosity has led to us being able to donate money and purchase things such as the two 'Tuck Shops'. These will be up and running from Monday.

## WHAT DO I DO OUTSIDE SCHOOL?

Well done to Frankie Connell from Y1. Frankie attends swimming lessons at Knowsley Leisure and Cultural Park and recently achieved his Level 2. Well done Frankie, what a swimming super star you are. Keep up the good work!

# FOCUS OF THE WEEK – A BIT OF EVERYTHING

This week year 4 had the opportunity to visit KIND. The children were welcomed by their friendly teaching team and of course their dog Benji. The children have taken part in a range of activities including cup cake making, dissecting seeds, learning about bees, exploring plants. They also got to share a special World Book day with them focussing on animals and plants. Year 4 have had a lovely relaxing week full of fun laughs and lots of new skills.

## WORLD BOOK DAY

The children and staff made an exceptional effort yesterday with their outfits. The children thoroughly enjoyed their day.

### WORDS OF THE WEEK

MATHS – Denominator

ENGLISH – Perplexed

Have a practice of these words over the weekend, who knows you could earn yourselves some house points when you return to school and use these words in your context.
