Headteacher Message

Dear parents and carers,
I am extremely excited to announce that we will be running a full week of summer school, week beginning 17th August (there will be no charge to parents/carers for this event). This week will be filled with lots of fun and exciting activities whilst still adhering to the appropriate government guidelines. Initially we will be offering places to those children who have not yet had a chance to return to school (current years 2, 3, 4 and 5). Dependant on uptake, we will then open this up to other year groups. An online form will be sent via text and email early soon. If you have any further questions please ask. I wanted to publicly say a huge thank you to the staff at both schools. They have been amazing throughout this uncertain time and continue to go over and beyond each and every single day. In particular, I wanted acknowledge the amazing work of 4 staff (Miss Walker, Mrs Ferrigan, Mrs Fityo and Miss Traverse) who, alongside KIND charity, delivered over 80 food hampers to those most in need.

Damian Kenny
Headteacher

Mrs J Williams
Head of School

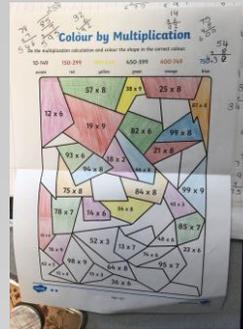

Reception have had another lovely week. They have been designing sea creatures, singing lots of songs, doing yoga and ordering numbers up to 20! There has been lots of cutting and sticking too! They also had lots of fun outside and managed to stay dry and out of the puddles!

Our Key Stage 2 children have been completing drawing activities based on the natural word as part of our school art week.

 **Tip of the Week**
Setting realistic, achievable goals is a good way of keeping spirits up and keeping moving forward.

Learning this week at home and school

Year 6 have had another busy week in their bubbles! They've taken part in online battles on Spelling Shed and TT Rockstars; practised for the Virtual Sports Day aiming to beat their previous score each time; undertaken art and geography challenges; practised their yoga skills; and kept up with basic skills in English and maths.

Blacklow Brow Virtual Sports Week

This week the children have been tasked in taking part in a whole school virtual sports week at home and in school. They have had to complete 8 challenges in the week and record their scores in order to be in with the chance of winning medals and trophies. Well done to everyone who has taken part, we will let you know if you are a winner before the end of term.

Toilet Roll Run - 23
PIC-COLLAGES

Dates for your diary

Summer Reading challenge- Sign up from 5th June

Blacklow Brow theme week- Monday 13th July

Words of the Week

MATHS- Cubed ENGLISH - Diligent

Have a practice of these words over the weekend. Who knows - you could earn yourselves Dojos when you return to school and use these words in the correct context!
