Headteacher Message

Dear Parents and Carers,

As we come to the end of the Spring term, I would like to celebrate the immense learning journey we have all been on. From children accessing learning online and not having an opportunity to interact with their friends, to parents becoming home teachers overnight. Well done to you all. A special thanks to the amazing staff for working endless hours and pushing their skills to the limits. I am extremely proud of the huge collective effort we have all made to ensure our children get the best possible care, attention and education.

On the 23 March, it was the one-year anniversary of lockdown. We joined in the National remembrance minute's silence to remember those affected by Covid 19.

We were pleased that once again all parents had access to a virtual parents evening. Attendance for these meetings has been good and parental feedback on the parent cloud system has been positive. This time round we added in additional time for those children on the SEND register to meet with our SENDco. This was really well received.

Even though we are on the road map to recovery, I ask you all to continue to follow the government guidelines over the Easter break. This in many ways can be the most dangerous time when we all start to become more complacent with the restrictions.

Have a safe and restful Easter break.
