Headteacher Message

Dear Parents and Carers,

We come to the end of a very busy half term that has seen us being able to relax on some of the many restrictions we have in place. We were able to introduce enrichment back into our offer to the children for a full hour every Wednesday. This enrichment will continue next term with clubs such as rounders, walking and games. Please take the time to look at what is on offer for your child and let staff know if they will be attending. There is room for all children if they would like to attend.

This week we had a visit from some baby rabbits, more formally known as kittens. One of our parents was kind enough to visit Early Years and Year 2 with 7 kittens. This real-life experience presented lots of educational opportunities for the children and prompted lots of questions and discussion. They all had a wonderful time. Next term we will have a big focus on transition. This is to support the children with a smooth and stress-free transition into their next year group. We will also be distributing our normal transition booklets detailing the staff responsible for each class as well as the expectations for the year ahead.

Have a well-deserved half term break with, hopefully, some sunshine!

Terrific Timekeepers

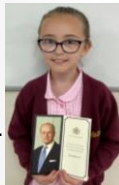

Can we remind Parents/Carers that doors open at 8.15am.

Our terrific timekeepers for this week are our pupils from Reception, Y1, Y2 and Y3. We only had 3 late's all week, which is fantastic. Let's aim for a late free zone when we return after the half term.

HRH

Congratulations to Lola Broley who sent a lovely letter to the Queen expressing her condolences regarding Prince Phillip, and received a thank you letter back from 'THE QUEEN'.

New Text/Email Service

We will be moving to a new communication service from the 14th June called School Comms. Can we ask all parents to click on the link below to get the app on your phone/device.

National Hamburger Day

Its National Hamburger Day today, the most iconic fast food around. It is common knowledge that the burger is the number 1 fast food in many parts of the world, recording over 50 billion burger consumptions in a year. Did you know there is even a burger called the 'Scouse Burger'.

Which type of burger will you choose to celebrate this day?

What do I do outside school?

Well done to our Phonics superstars George and Joseph from Y2. They have worked really hard on their phonics and we are blown away. Keep up the good work guys!

FOCUS OF THE WEEK

Year 1

In Year 1 we have been loving reading our new English text called ' '. The story is about an alien who crash lands on Earth and tries to find her way back home. We acted out some scenes from the book and thought about how characters may be feeling using our inference skills.

Year 6

Mrs Purcell, Mr Ogilvie and Mrs Simpson had a fabulous time with year 6 during Transition Club.

Reception

This week reception have been looking at patterns and shapes and creating tangrams.

Year 5

Year 5 have been working hard this week on their final presentations. They have been using Google slides to create tally charts, graphs, import photographs and present their business plan. We have been to the Park today to film our broadcasting interviews.

After School

Please email the school office to book your afterschool requirements. Our numbers are capped, so please remember to book, as we may not have availability on the day. **If you have booked an afterschool session and no longer require it, please email the school office ASAP.** Thank you
