## Headteacher Message

Dear Parents and Carers,

It is great to see us finally getting some good weather. With this in mind, can you please make sure children have sun cream applied to them before school. If they wish, they can also bring a hat into school with them to be worn on the playground. Time outside in the sunshine is limited however, we would rather be safe than sorry. Furthermore, we continue to supply an abundance of bottled water to all children to ensure they are well hydrated and to avoid using our one central water fountain.

Next week all parents will receive a transition booklet detailing all things transition related. This will include what teachers and teaching assistants will be leading in specific year groups next year. In addition, children and parents will also understand what work will be taking place over the next 5 weeks to ensure the transition to the next year group is as smooth and stress free as possible.

Looking forward to the week ahead, we have a number of children attending Court Hey to engage in a 5 week horticultural course run by Incredible Edible Knowsley. We hope for some great fruit and vegetables to grow in our school garden. Finally, I would like to say a huge thank you to the PTA for donating over £1500 to purchase recorders for all children at school. From September children will have specialist teacher input while learning to read music and play the recorder. These skills will lay the foundations for more advanced instruments such as the oboe, clarinet and flute among others.

## National Corn On The Cob Day

It's National Corn On The Cob Day today. As the flavour of fresh corn on the cob calls to us, get the butter and the salt shaker ready. If there's ever been a time to get stuck into nice corn on the cob, it's now. Corn on the cob is the perfect accompaniment to summer barbecues.

Why not cook your corn on the cob to celebrate today.

## What do I do outside school?

Congratulations to Elijah and Adam from Y5 who train with Malvern Shotokan Karate Club and went for their black belt assessment.

Both boys have shown respect, friendship and encouragement. Well done to our pair of Karate Kid Champions!

# FOCUS OF THE WEEK

## Year 6

As part of History Topic in Year 6, the children have learnt about World War 2. To end the topic they held a WW2 Day, the children came in dressed up and looked great. (Mrs Purcell, Mrs Simpson and Mr Ogilvie didn't look bad either) They investigated artefacts, built Anderson Shelters and many more exciting activities. The children had so much fun throughout the day and lots of work was shared on Dojo.

## Nursery

Nursery have been busy planting sunflower seeds in our garden area. Well done everyone, you did a superb job!
