## Headteacher Message

Dear Parents and Carers,

It has been an extremely exciting week this week with our year 6 pupils working hard to create their manifesto to convince the rest of the school population why they would be the best Head Girl and Head Boy to represent the school pupil community. It was great to watch the younger children sit in awe listening to extremely convincing and creative speeches the children had prepared. Furthermore, the children in the lower year groups took to pen and paper to convince their class mates why they would be best to represent their class on the student council. The student council will then be made up of elected members from each class and led by the Head Girl and Boy. The council will support the running and the decisions made in school.

You will by now have received our enrichment offer for this half term. It is great to see so many different clubs on offer for the children such as Gaelic Football, yoga and cross country to name but a few. I would love to see all children participate in at least one club per week. This offer is a great opportunity to try something new and spend some time with friends. After half term our enrichment offer will be even bigger!

You will be pleased to learn, that with the help of your children our new staff have settled in really well and are now used to our systems, routines and timings. In particular, Mr Dunford, our new Assistant Headteacher and year 5 teacher, has lots of plans for opportunities for parents to visit the school. This will start off with a 'Meet the teacher' event where parents will once again be able come in to school and learn what this year holds in store for their child. Following this will be a Mac Milan coffee morning and closer to Christmas a tea, coffee and bacon sandwich morning on the playground. More details to follow soon.

Thank you for all our positive messages of support and raise so far.

Take care and have a lovely weekend. Mr Kenny – Executive Headteacher
