Headteacher Message

Dear Parents and Carers,
This week has been filled full of physical activity, learning and parents in school. It was great to open our doors again to parents. With all the appropriate restrictions still in place we welcomed parents into school to meet the staff and have an opportunity to learn what this academic year will hold for the children. At this event we handed out parental questionnaires and a 'free school meals' checker application. It would be really appreciated if these could be completed and returned to school as soon as possible. Thank you for all the wonderful comments.

Mr D Kenny
Executive Headteacher

For the first time in over 2 years our football team got together to play in a Knowsley competition. I am delighted to report that they secured their first win of the year with many more to come. In addition, I am aware that Miss Lunt and her team are working hard to ensure that the children have lots of opportunities to participate in competitions in a range of sports this year.

Can I please ask all parents to download the SchoolComs (school Gateway) app to their phone? Set up is simple and easy. Once signed in you will receive messages and our newsletters and soon you will be able to book clubs and trips. Mr Kenny – Executive Headteacher
