Headteacher Message

Dear Parents and Carers,
On my visits to class it has been great to see so much focused learning taking place. Year 4 have been learning all about the digestive system. To compliment this, in reading and English, the children have been studying the book 'Illumanatomy'. Pupils have studied grammatical features within the text, working towards the goal of writing their own explanation text. In addition, children have been looking inside the human body with a magic, three-colour lens and x-ray from head to toe to discover how your body works. Reading, as always has been of the highest priority with children being listened to, and read to regularly. The passion for reading in both Park View and Blacklow is infectious. The children and staff are so excited for the visit from the author P.G. Bell on the 26th November.
Next Thursday, 11th November, we will as always be hosting a full school celebration of Armistice Day. Parents and grandparents will be invited onto the school yard from 10.50am. The celebrations will follow our normal format. If you can attend please do. It would be lovely to see you all there.
Have a peaceful weekend.

How will you celebrate National Donut Day?
