Headteacher Message

Dear Parents and Carers,

The end to another wonderful half term. Once again, I have been delighted at the standard of teaching and learning that has been taking place across the school this half term. Just this week, I visited classes learning about mental health as part of national 'Children's Mental Health Week'. The theme this year was 'Growing Together'. We encouraged children (and adults) to consider how they have grown and how they can help others to grow. Keep an eye out on Class Dojo for Mrs Purcell's celebration video for this celebration week.

On Saturday, I was joined by a number of parents and children in 10 Acre Pitts with local councillors and some of the St. Anne's Catholic Primary school community. The litter picking event was a great opportunity to highlight to children the importance of not dropping litter and keeping our environment clean. Thank you to those that got involved.

I also had the pleasure of reading a story to the Nursery children during wet play. Their engagement and level of understanding was wonderful. It was lovely to learn that so many of the children read regularly at home with their parents.

It was great to see so many of you join us for our coffee morning on Wednesday this week. This is always a lovely opportunity to bring us all together as one school community. Mr D Kenny – Executive Headteacher
