## Headteacher Message

Dear Parents and Carers,

It was lovely to welcome Year 2 parents into school this week in support and preparation for the children sitting their SATs exams at the end of the year. Lots of hard work and planning from the staff has gone into ensuring all children achieve their maximum potential while still having lots of fun in the school.

On my travels around the classrooms this week it has been great to see such a wide variety of learning opportunities for the children. In Nursery and Reception the children have been learning all about Chinese New Year. On Tuesday, I walked into an array of beautiful, bright colours that the children had been mixing in preparation to finish off their class made Chinese Dragons. The grand finale parade around the yard today was extremely noisy, but entertaining, the children then sampled some delicious Chinese food. In Year 2, children have been reading *The Bear and the Piano* focussing on comprehension questions to support with SAT's preparation, while in maths they have been looking at multiplication and division along with statistics while enjoying using their rekenrek equipment to support their mastery in maths
