Headteacher Message

Dear Parents and carers,

It was great to see so many of our children take part in our annual Dean Trust Active Challenge on Tuesday, when children and staff from both our primary and secondary schools took part in our annual running/walking event. Over 600 children in total took part. I was delighted to see so many children from both schools make their way onto the podium. Furthermore, I was so proud seeing our children supporting other children make it over the line when they were struggling on the home straight. Throughout this week, we had several colleagues from our secondary schools visit our school to meet with our subject leaders, watch lessons, look at our curriculum plans and discuss work produced in books. The feedback has been tremendous! One English teacher commented "I can't believe the standard of work these children produce at such a young age."

Today our annual transition booklets have gone out to parents. Please take the time to read this, as it contains lots of useful information about what to expect in the next few weeks, but also what to expect next year. Please also look out for the communication regarding parents evening taking place on the 11th and 13th of July so you can get an appointment booked early.
