Introduction

At Blacklow Brow, our aim is to ensure all children are 'safe' and 'happy' allowing us to provide them with a fantastic educational experience however, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils.

In line with the Equality Act 2010 it is essential that our school:

- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it;
- Foster good relations between people who share a protected characteristic and people who
 do not share it.

At Blacklow Brow, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their local authority children's social care.

This policy is closely linked with our Behaviour Policy, our Safeguarding Policy, our school Code of Conduct and the school's Vision, Aims and Values.

Principles

It is the responsibility of the Governing Body and the Executive Headteacher to ensure that all members of the school community work within a safe and enabling environment.

The four guiding principles of the Early Years Foundation Stage underpin our Anti- Bullying Policy from the moment a pupil enters our school, and throughout their time at Blacklow Brow.

They are:

- Every pupil is a unique pupil, who is constantly learning and can be resilient, capable, confident and self-assured;
- Pupils learn to be strong and independent through positive relationships
- Pupils learn and develop well in enabling environments, in which their experiences respond
 to their individual needs and there is a strong partnership between practitioners and parents
 and/or carers
- Pupils develop and learn in different ways and at different rates including pupils with special educational needs and disabilities

Aims

We are determined to promote and develop a school ethos where bullying behaviour is regarded as unacceptable, to ensure a safe and secure environment is sustained for all pupils. We aim for all pupils to reach their potential academically, socially and personally through learning and playing in a safe and secure environment.

Bullying Definition

Bullying can be defined as "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

At Blacklow Brow, we discuss what bullying is, as well as incidents we would not describe as bullying, with all pupils through assemblies and PSHE lessons.

We agree that:

- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online
 or cyberbullying. This can include: Sending offensive, upsetting and inappropriate messages
 by phone, text, instant messenger, through gaming, websites, social media sites and apps,
 and sending offensive or degrading photos or videos.

Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

Types of Bullying

- Bullying can happen to anyone. This policy covers all types and forms of bullying including
- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexual bullying
- Bullying via technology, known as online or cyberbullying
- Prejudicial bullying (against people/pupils with protected characteristics):
- Bullying related to race, religion, faith and belief and for those without faith
- Bullying related to ethnicity, nationality or culture
- Bullying related to Special Educational Needs or Disability (SEND)
- Bullying related to sexual orientation (homophobic/biphobia bullying)
- Gender based bullying, including transphobic bullying

Bullying Prevention

Preventing and raising awareness of bullying is an essential to keeping incidents in our school to a minimum. Through assemblies, as well as PSHE lessons, pupils are given opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument. Pupils are taught to tell an adult in school if they are concerned that someone is being bullied.

Through assemblies, PSHE lessons and our reward systems/ certificates, we promote examples of our school ethos and vision as a model to all children. Our sanctions make clear the behaviour which is unacceptable.

Behaviour Policy

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

Signs of Bullying

Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

- Physical: unexplained bruised, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.
- Emotional: losing interest in school, withdrawn, secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.
- Behavioural: asking to be taken to school, coming home for lunch, taking longer to get home, asks for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.

Responding to Bullying

All cases of alleged bullying should be reported to the Pastoral Lead, by reporting via CPOMS.

In any case of alleged bullying, either the Class teacher, the Pastoral Lead should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate.

If the allegation of bullying is upheld, the Executive Headteacher should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s), and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable.

All bullying incidents must be recorded in CPOMS. Parents of both parties should be informed.

If the situation does not improve, the Executive Headteacher should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped.

Supporting pupils

- Pupils who have been bullied will be supported by:
- Reassuring the pupil and providing continuous pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early

Help or Specialist Children's Services, or support through the Children and Adolescent Mental Health Service (CAMHS).

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with school behaviour/discipline policy; this may include official
 warnings, detentions, removal of privileges (including online access when encountering
 cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or the Children and Adolescent Mental Health Service (CAMHS).

Supporting adults

Blacklow Brow takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the Headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the Headteacher to establish the concern.
- Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

Note: Specific guidance is available for leaders regarding dealing with complaints made on social networking sites: www.kelsi.org.uk/child-protection-and- safeguarding/e-safety

Preventing bullying

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionally impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children
 with different family situations, such as looked after children or those with caring
 responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related
 difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying bought to the schools' attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who
 have been bullied.

Education and Training

The school community will:

 Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and

- take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer/child support, the school/student council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

Advice to Parents/Carers

As the parent /carer of a child whom you suspect is being bullied:

- 1. Report bullying incidents to the class teacher or Pastoral Lead
- 2. In cases of serious bullying, the incidents will be recorded by staff and the Headteacher notified.

- 3. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem
- 4. If necessary and appropriate, police will be consulted
- 5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
- 6. An attempt will be made to help the child using unacceptable behaviour towards others, to change their behaviour.

Do Not:

- 1. Attempt to sort the problem out yourself by speaking to the child whom you think may be behaving inappropriately towards your child or by speaking to their parents.
- 2. Encourage your child to be 'a bully' back.
- 3. Both of these will only make the problem much harder to solve.
