Headteacher Message

Dear Parents and Carers,

Good afternoon everyone, this week has seen us focus on mental health in school. Mrs Purcell, our PSHE lead, started the week by hosting an assembly and introducing the topic. Then yesterday, children took part in a range of activities of how to improve or support mental health - KS1 made lavender play-doh.

Executive Headteacher

We celebrated sporting success on Wednesday as children from Year 6 took part in the Knowsley Cricket Tournament - finishing 3rd overall. The children had a fantastic

experience and represented the school wonderfully showing the Blacklow values throughout. Next week, pupils in Y4 are going to Bispham Hall for a residential and outdoor learning experience. I cannot wait to hear the stories and adventures when they return. We thank Mrs Paes for organising this experience for the children. We wish you a great weekend and look forward to seeing you all on Monday. Mr D Kenny – Executive Headteacher

FOCUS OF THE WEEK

This week is Mental Health Awareness Week. The official theme, as set by the Mental Health Foundation this year, is 'anxiety'. At Blacklow Brow, the children have completed a variety of activities to allow them to identify how anxiety feels, consider strategies to support us when feeling anxious and read books based on supporting our mental health.

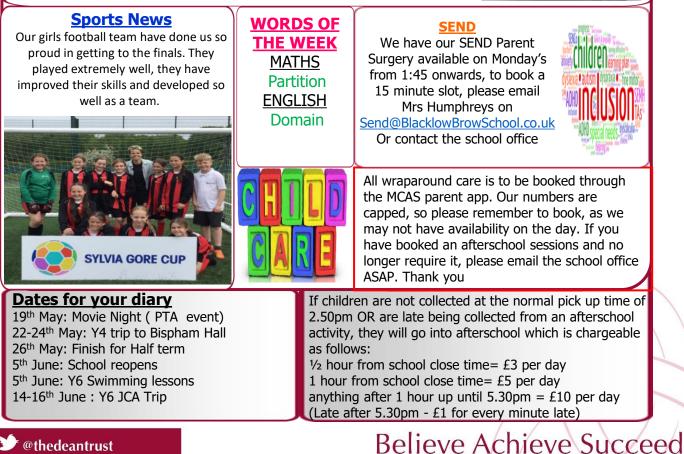

Improving Bus Services - consultation

The Liverpool City Region Combined Authority, led by Mayor Steve Rotheram, has new powers to improve bus services by taking greater public control of the network – either through an enhanced partnership with bus operators or by introducing bus franchising. Before any final decision is made, we want to know what the people who live and work in the Liverpool City Region think. The consultation is open until Friday 3rd August. You can find out more and take part here and if you have any questions, let us know by contacting movingbusesforward@liverpoolcityregion-ca.gov.uk
