Headteacher Message

Dear Parents and Carers,

What a fabulous week it has been. On Tuesday, we were treated to a show case of Matilda where children from across a number of year groups performed in dance, drama and singing. I was so proud to see how the children had developed in confidence and skill across the course of the year. Thank you to all the staff for the support, over and beyond to make this happen.

As parents you will be aware that we are continuously driving standards and expectations to ensure your child reach their full potential. What we are not so good at is celebrating and sharing our successes with you as parents. Did you know that, Blacklow Brow and Park View Academy were in the top 20% of schools in the country for the best attendance? Our children tell us this is because they want to come to school because they feel safe, happy and enjoy lessons. Did you know that, at the end of last year, year 6 SATS results, in both schools, were significantly above the national average with Blacklow Brow being the second best in the local area? Blacklow Brow reading results were in the top 5% of the country! Did you also know, we have provided over 60 free clubs for children this year?

My intention moving forward, is to celebrate the achievements of our children and school with you more often so you can spread the good news.
