#### **Headteacher Message**

Dear Parents and Carers,

I need to start off with a huge thank you for your support at our MacMillian coffee morning again this year. The overall attendance was absolutely fabulous. Not only did we all have a great time with lots of beautiful cakes and drinks, but we raised money for a very worthwhile charity too. At Blacklow we raised £816 and at Park View we raised £704 totalling a whooping £1520 Thank you to all involved.

This week it was great to see so many children attending our enrichment offer. These clubs have been designed to complement and extend children's educational experiences over and beyond the curriculum. Please make sure your child is booked in and confirmed through my child at school app. If you are still having technical issues, please call the office for support.

Mr D Kenny Executive Headteacher

I am pleased to announce that Blacklow Brow has been successful in securing significant funding through the

public sector decarbonisation scheme to replace our old gas fire system with a new, renewable air source system. As part of this project, we will also be installing solar panels on the roof. Planning is already underway and we expect to have all the work completed by September next year. We are delighted to be leading the way, alongside Park View, in renewable energy in education and what a great opportunity for our children to be involved in a real-life project.

Finally, our parent-teacher association is at the point of renewing membership and responsibilities. As such, a meeting for all parents interested in being involved are invited to attend a meeting on Tuesday 10th October at 4.30pm. All interested parties are welcome. Have a lovely weekend.

Mr D Kenny - Executive Headteacher
